Image analysis for beginners using ImageJ/Fiji
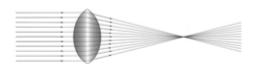

(free multiplatform software)

Tuesday October 10 th
BBBG-103 (Buys Ballot Building)

- If you want to start using ImageJ/FIJI and have no clue where to begin. Or you just started using it and got stuck.

- During the hands-on session our experts will guide you through *your* specific problem.

- For the hands-on: please fill in the registration form and send it to meetings@bioimaging-utrecht.nl. (The talk can be attended without registration.)

- **Deadline** for registration is the **1st of October**. Be quick: the number of spots for the hands-on is limited.

Program:

12:45 - 13.30	Talk: Introduction to the basics of image analysis
13.30 - 15:30	Hands-on session 1
15:30 - 17:30	Hands-on session 2

Detailed information about the times and speakers can be found on our website
If you want to give a talk yourself or are not on our mailing list yet
please send an email to meetings@bioimaging-utrecht.nl
